

Chemical and Biomolecular Engineering Request Academic Credit for CBE 597 - Master's Thesis

If you choose to do a Master's Thesis (CBE 597) as a requirement for the degree, you are required to register for two course units of CBE 597 which represents the time expended on research.

The grade of (S) satisfactory or (U) unsatisfactory will be awarded when research hours have been fulfilled and the final thesis is submitted to 111 Towne.

Students registering for Master's Thesis Track (597) are required to submit a brief abstract to Jackie Egitto in 311A Towne.

Upon completion (second semester), the thesis must be submitted by the deadline posted on the degree calendar distributed by 111 Towne.

Possible extension can be provided (990) if Thesis completion will be the following semester.

Brief Abstract

Name _____ Date _____

Student ID # _____ e-mail _____

Have you previously taken CBE 597 yes no

Projected Date of Graduation _____

Master's Thesis Advisor (Printed Name) _____

Master's Thesis Advisor (Signature) _____
